MEMORANDUM FOR: Registrar, Office of Training

SUBJECT: Monthly Report of Training

1. The CIA Career Service Board has decided that it would not be necessary to have the Monthly Report of Training distributed to it any longer. It was determined that if any of the members desire information concerning the Report that it would be available by directly contacting the Office of Training.

2. We are, therefore, returning all the copies which you sent for March and April, with the exception of one copy for each month which I am retaining in the files. Hereafter, I shall need only one copy rather than nine.

3. Thank you very much for your cooperation in providing us with this material.
